

Annual Return

Our annual return has been filed and as promised, attached please find our financial reporting for the past 12 months. This Foundation operates because of your support, commitment and belief in what we have set out to do. We are humbled and grateful to each and every one of you.

Please let us know if you have any questions, we are always happy to answer them. We believe in accountability and transparency. *Volunteer gift cards are gas card purchases where we feel an excessive amount or long distance transports have occurred. Volunteer appreciation gifts are paid for by the founder personally and not from the proceeds of sales or donations to the Foundation.

Lillian Courtney, President
Berkeley's Place Foundation
